IT Platform	The CNG Hub (Canvas)				
Third Party Arrangements	These qualifications are delivered by way of partnership agreement with the nominated secondary school ('Partner School'). The Partner School is authorised to deliver training under the auspices of Connect 'n' Grow®.				
Venue	Assessment and training will be conducted at the school's Health Training Centre.				
Mode of Delivery	Blended delivery - Face-to-face using an online platform				
Course Length	2 Years				
Prerequisites	HLT23215 Certificate II in Health Support Services and CHC22015 Certificate II in Community Services.				
Reason to Study	Health and community services training is linked to the largest growth industry in Australia. The dual qualification reflects the role of workers who provide support for the effective functioning of health and community services.				
Learning Experiences	This qualification has been designed to include projects that prepare students for a range of tasks they perform when they enter into a health and/or community services career, including; health checks, health promotion, health administration and is an entry pathway for workers who provide first point of contact and assist individuals in meeting their needs.				
Certificate of Education Points	Upon successful completion students are eligible for Certificate of Education credits applicable to your State.				
Fee Information	Connect 'n' Grow® does not charge students directly for course fees.				
	The Partner School is invoiced a fee for participating students.				
Learning & Assessment	The program can be delivered in a weekly or block mode through class-based tasks, with practical activities and practical assessment. A range of teaching/learning strategies will be used to deliver the competencies. These include: • Multiple choice, true/false and short answer questions (online)				
	Practical activities and scenarios				
	Workplace Learning Log				
Equipment & Resources	Students will need to have access to a computer, including relevant software, internet and printer access. There are no other equipment requirements of the students.
